Case No.: 15-cv-1716 (BLF)

**JOINT REQUEST FOR A CASE  
 MANAGEMENT CONFERENCE TO  
 BE SCHEDULED ON FEBRUARY  
 14, 2019**

Pursuant to Civil Local Rule 16-10(c), InterDigital, Inc., InterDigital Communications, Inc., InterDigital Technology Corporation, IPR Licensing, Inc., and InterDigital Patent Holdings, Inc. (collectively, “InterDigital” or “Defendants”) and ASUS Computer International and ASUSTeK Computer Inc. (collectively, “ASUS” or “Plaintiffs”) hereby request that a Case Management Conference (“CMC”) be scheduled on February 14, 2019. The parties will be before the Court during the morning on the same day for a *Daubert* hearing.

The last CMC in this matter was held on October 27, 2016. The Court issued its order on the parties’ summary judgment motions on December 20, 2018. Dkt. No. 341. The parties are scheduled to file motions *in limine* on March 21, 2019. The Final Pretrial Conference is scheduled for April 4, 2019. Trial is scheduled to start on May 6, 2019.

The parties believe that a case management conference would be helpful to the Court and the parties in connection with trial preparation on the disputes that remain between the parties. InterDigital seeks a CMC for February 14, 2019. ASUS joins the motion for a CMC, but ASUS respectfully submits that a CMC would be most efficient if scheduled at a time convenient to the Court closer to, or on the same day as, the April 4, 2019 Final Pretrial Conference because ASUS expects the CMC issues will overlap significantly with motions *in limine*.

The parties are available for the requested conference on Thursday, February 14, 2019. As mentioned, the parties are already scheduled to appear before the Court on their respective *Daubert* motions on that date. Additionally, the parties are hopeful that scheduling the CMC would minimize burden on the Court.

For these reasons, the parties respectfully request that a case management conference be scheduled for February 14, 2019.
